

## CALENDAR FOR BOOKING RENTALS FOR 2017

SEPTEMBER-OCTOBER...organizing weeks available with owners

NOVEMBER-DECEMBER...continuing to organize weeks...repeaters contacted.... open weeks start to become available.

DECEMBER-JANUARY...Major booking underway...this is a good time to be making contact if I have NOT contacted you.

Please some things to remember:

1. In setting up 2017, we start with Labor Day and work BACKWARD. For 2017, that means the 2016 dates DROP BACK 1 CALENDAR DAY.
2. Repeat renters will have first opportunity at their previous weeks using the calendar devised above. If you wish to move your weeks around, you may have to wait a bit.
3. If you are contacted as a repeat renter, you will have 2 weeks to commit to your week.
4. PLEASE also let us know if you will NOT be returning as a repeat renter.

THANK YOU!
